

tCL Invite 22-07-18

**TheChangeLeaders RETURN to Oxford
September 16, 17 & 18, 2022
Said Business School**

Our Theme
***Enough! theChangeLeaders Take On the Climate Crisis
And Have Time for Tea***

This invitation arrives in the middle of a European heat wave. Let there be no doubt that climate change is living inside our lives. Some consider it “too late.”

We hold a different position: It’s only too late when we quit. So we will gather at Said/Oxford to address Climate Change head on. We will spend Friday and Saturday refreshing our understanding of what is at stake inside this issue and what each of us can do to help the cause.

We will work towards individual actions each of us can take within a month that directly address climate change. Our focus is action.

Our Friday, September 16th Schedule

Anne-Fleur Goll <https://youtu.be/BY7zclxtOLU>

- Anne will bring the same urgency to our clan that she brought to the 2022 HEC commencement. She promises to challenge all of us to think hard about how we can get into action.

Jacob Mayne (Cohort 1) <https://www.newangles.eu/>

- Jacob has been hard at work inside the climate conversation since he completed his CCC work in cohort 1. Needless to say, he is tCL’s wisdom keeper on this topic. He’s not messing around. Expect to work with him on Friday afternoon.

Dave Cooper (Cohort 15) <https://www.linkedin.com/in/dave-cooper-387aaa3b/>

- Dave will be our guide and curator on the two day learning journey. He will facilitate our individual and small group work between speaker sessions and at the end of Friday and Saturday. His role is to help each of us capture ideas and information we might use to design the individual actions to take.

Friday Night is by your design

Our Saturday, September 17th Schedule

Emmanuel Berenger (Cohort 15) <https://www.rainforest-alliance.org/>

- Emmanuel has deep experience addressing global environmental issues. She has some cool models, frameworks and activities to kick-start our thinking and actions. She promises we will enjoy the process.

theChangeLeaders Business: Change is Afoot

- We will spend some time exploring how tCL addresses its own changing future. Our agenda for this session includes
 - Chair transition
 - What is new in our parent programme, *Change Leadership*
